# BLOT - IT SUPER SORBENTS

For use on oils, acids\*, bases, chemicals & toxic liquids

## Super Blot-it

### Lightweight, Hi-Capacity Particulate

Absorbs 10 times more liquid\*\* than clay products. Lighter particles instantly soak up more liquid; leaves surfaces dry. Quicker clean up limits liability. Exceeds EPA landfill rules; passes Paint Filter & TCLP tests. Non-corrosive, non-toxic & non-flammable. Non-biodegradable and inert.

### Reduces Workers' Compensation Claims

Lightweight formula eliminates lifting & handling heavy 50 lb. bags. Absorbs more with less weight.

### Minimizes Slip/Fall Injuries

Use as part of daily maintenance procedures; stop tracking of oil & grease. Insures clean, dry, safe floors for all.

### Eliminates Fire Hazards

Prevents accumulation of grease & oily dirt on floors & ramps; reduces combustible, hazardous & annoying fumes & vapors.
