

Scent Away

ODOR COUNTERACTANT

One whiff and wham! The damage is done. Your company's image is wiped out in a single breath. Nasty odors make a lasting impression. And their message is swift and powerful.

So, kill the messenger. SCENT AWAY attacks odors at their source and in the air. The concentrated, water soluble odor eliminator actually alters the molecular structure of the offending scent, leaving nothing but the smell of freshness.

Super strength SCENT AWAY is convenient. Just add it to the housekeeping cart for a safe and effective weapon against the worst of odors: sickness, human incontinence, animals, pet accidents, sewage, garbage, fats, oils, fermentation, decay, mildew, cooking, fire, smoke, cigarettes, cigars, liquor, paint and chemicals. Mix it right in with your cleaning solutions, rug shampoos or rinse water. It's non-staining. So, you can apply it directly to shower curtains, bath mats and dirty linens.

Now, take a deep breath. And deploy your lethal weapon against those nasty odors. Make your company's lasting impression be the sweet smell of success, with SCENT AWAY.
