

BRUSKE POLY CAP BROOMS™

LIGHT DUTY POLY CAP BRUSKE BROOMS... are made with 100% soft synthetic bristles set into a durable molded plastic base. The molded plastic base and the removable vinyl covered or wood handles provide long life. Indoor light duty Poly Cap Bruske Brooms are most effective in food plants, hospitals, colleges, or industrial environments where fine dust has to be swept up.

FINE GREEN FLAGGD BRISTLE BRUSKE POLY CAP BROOM... commonly called "The Dusting Brush", is ideal for use in bakeries, dairies, food plants, smooth indoor surfaces and stairwells.

Model No. 5604 Includes 54" Coated Metal Handle.

Model No. 5614 Includes 54" Wood Handle.

FINE BLUE UNFLAGGD BRISTLE BRUSKE POLY CAP BROOM... is for sweeping smooth indoor/outdoor surfaces in bakeries, dairies and food plants.

Model No. 5605 Includes 54" Coated Metal Handle.

Model No. 5615 Includes 54" Wood Handle.

HEAVY DUTY POLY CAP BRUSKE BROOMS... are made with extra body and strength to withstand chores on indoor or outdoor surfaces. These Bruske Brooms with their large sweeping flare are ideal for general sweeping in factories, warehouses, food processing plants and chemical plants. Heavy Duty Poly cap Bruske Brooms will last up to ten times longer than common corn brooms.

Brooms also available with heavy duty steel #6153 or fiberglass #6333 handles

WHITE FLAGGD BRISTLE POLY CAP BROOM... preferred in food plants. Made for rugged sweeping chores. Ideal in any dusty conditions.
